RESEÑA CURRICULAR

HEMATOLOGIA, Vol. 12 Nº 3: 71
Setiembre-Diciembre, 2008

Dr. Cancado received his medical degree from Santa Casa School of Medicine, in São Paulo, Brazil. Subsequently, he completed his internship and residency in Hematology and Hemotherapy at the same Institution.

Dr. Cancado was awarded his MD (2000) and his PhD in Hematology (2004) from Santa Casa School of Medicine, where he is currently an Associate Professor of Medicine in the Department of Hematology and Oncology. His main research interests are in the areas of anemias, haemoglobinopathies as well as disorders of the iron

metabolism. He has been the Coordinator of the Anemias Program under the Department of Hematology and Oncology at Santa Casa School of Medicine since 1995.

Dr. Cancado is a member of the Brazilian Society of Hematology and Hemotherapy and has been a member of the Brazilian Ministry of Health Advisory Board on Sickle Cell Disease and other Haemoglobinopathies since 2005. He is a member of the Hematology Committee of the Brazilian Society of Hematology and Hemotherapy, and a reviewer for the Brazilian Journal of Hematology and Hemotherapy.
